Motion to Show Cause Re: Patent Infringement

Commerce, in jurious to the United States.

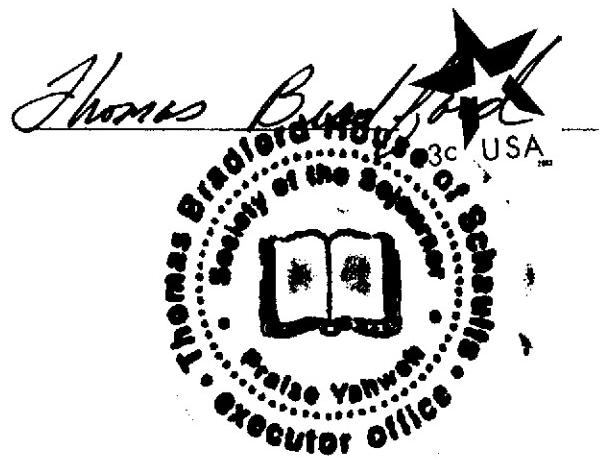

The United States District Court maintains Jurisdiction as per, 28 USC § 1330, 28 USC § 1338

- (a) A “foreign state”, except as used in section 1608 of this title, includes a political subdivision of a foreign state or an agency or instrumentality of a foreign state as defined in subsection (b).
- (b) An “agency or instrumentality of a foreign state” means any entity—
 - (1) which is a separate legal person, corporate or otherwise, and
 - (2) which is an organ of a foreign state or political subdivision thereof, or a majority of whose shares or other ownership interest is owned by a foreign state or political subdivision thereof, and
 - (3) which is neither a citizen of a State of the United States as defined in section 1332 (c) and (e) of this title, nor created under the laws of any third country.
- (c) The “United States” includes all territory and waters, continental or insular, subject to the jurisdiction of the United States.
- (d) A “commercial activity” means either a regular course of commercial conduct or a particular commercial transaction or act. The commercial character of an activity shall be determined by reference to the nature of the course of conduct or particular transaction or act, rather than by reference to its purpose.
- (e) A “commercial activity carried on in the United States by a foreign state” means commercial activity carried on by such state and having substantial contact with the United States.

By Private Acts and Acts of Commerce, the United States of America has maintained criminal Action to fraudulently occupy and possess aforementioned lands, suffering Patent Infringement as per Public Law, whereby the creator has been subverted, where a Franchise has been created under Private Acts (Executive Order) and Acts of Commerce (various Patent and Copyright Acts, contrary to Public Acts), want of Creation.

That the United States of America, a foreign state, NEVADA, a foreign state, and CLARK County, a foreign state, has maintained under such Private Acts, and Acts of Commerce Constituting Conflict of Authority through Color of Law, and Implied Color maintained by Agency by Estoppel, United States of America implicating such private acts, and acts of commerce on behalf of U.S.A., and U.S. Inc, whereby Patent Infringement with direct, continuing, continual, in fact, and irreparable injury upon the United States has and continues to

1 In the short form power of attorney, the language conferring general
2 authority with respect to fiduciary transactions, means that the principal
3 authorizes the agent:

4 (1) to represent and act for the principal in all ways and in all matters
5 affecting any bailment/fund with respect to which the principal is a
6 fiduciary;

7 (2) to initiate, participate in, and oppose any proceeding, judicial or
8 otherwise, for the removal, substitution, or surcharge of a fiduciary, to
9 conserve, to invest or to disburse anything received for the purposes of the
10 fund for which it is received, and to reimburse the attorney-in-fact for any
11 expenditures properly made by the attorney-in-fact in the execution of the
12 powers conferred on the attorney-in-fact by the short form power of attorney;

13 (3) to agree and contract, in any manner, with any person, and on any terms
14 which the attorney-in-fact selects for the accomplishment of the purposes
15 enumerated in this subdivision, and to perform, rescind, reform, release, or
16 modify the agreement or contract or any other similar agreement or contract
17 made by or on behalf of the principal;

18 (4) to execute, acknowledge, verify, seal, file, and deliver any consent,
19 designation, pleading, notice, demand, election, conveyance, release,
20 assignment, check, pledge, waiver, admission of service, notice of
21 appearance, or other instrument which the attorney-in-fact deems useful for
22 the accomplishment of any of the purposes enumerated in this subdivision;

23 (5) to hire, discharge, and compensate any attorney, accountant, expert
24 witness, or other assistants, when the attorney-in-fact deems that action to
be desirable for the proper execution by the attorney-in-fact of any of the
powers described in this subdivision, and for the keeping of needed records;
and

25 (6) in general, and in addition to all the specific acts listed in this
subdivision, to do any other acts with respect to any bailment/fund of which
the principal is a fiduciary.

Nothing in this subdivision authorizes delegation of any power of a
fiduciary unless the power is one the fiduciary is authorized to delegate

1 under the terms of the instrument governing the exercise of the power or
2 under local law.

3 For the purposes of clauses (1) to (6), "fund" means any trust, probate
4 estate, guardianship, conservatorship, escrow, custodianship, or any other
5 fund in which the principal has, or claims to have, an interest as a
fiduciary.

6 All powers described in this subdivision are exercisable equally with
7 respect to any fund of which the principal is a fiduciary to the giving of
8 the power of attorney or becomes a fiduciary after that time, and whether
located in the state of California or elsewhere.

9

10 **Claims and litigation.** In the short form power of attorney, the language
conferring general authority with respect to claims and litigation, means
11 that the principal authorizes the attorney-in-fact:

12 (1) To assert and prosecute before any court, administrative board,
13 department, commissioner, or other tribunal, any cause of action, claim,
14 counterclaim, offset, or defense, which the principal has, or claims to have,
15 against any individual, partnership, association, corporation, government, or
16 other person or instrumentality, including, by way of illustration and not of
restriction, power to sue for the recovery of land or of any other thing of
17 value, for the recovery of damages sustained by the principal in any manner,
for the elimination or modification of tax liability, for an injunction, for
18 specific performance, or for any other relief;

19 (2) to bring an action of interpleader or other action to determine adverse
20 claims, to intervene or interplead in any action or proceeding, and to act in
any litigation as *amicus curiae*;

21 (3) in connection with any action or proceeding or controversy at law or
22 otherwise, to apply for and, if possible, obtain a libel, an attachment, a
23 garnishment, an order of arrest, or other preliminary, provisional, or
24 intermediate relief and to resort to and to utilize in all ways permitted by
25 law any available procedure for the effectuation or satisfaction of the
judgment, order, or decree obtained;

1 (4) in connection with any action or proceeding, at law or otherwise, to
2 perform any act which the principal might perform, including by way of
3 illustration and not of restriction, acceptance of tender, offer of judgment,
4 admission of any facts, submission of any controversy on an agreed statement
5 of facts, consent to examination before trial, and generally to bind the
6 principal in the conduct of any litigation or controversy as seems desirable
7 to the attorney-in-fact;

8 (5) to submit to arbitration, settle, and propose or accept a compromise
9 with respect to any claim existing in favor of or against the principal or
10 any litigation to which the principal is, may become, or may be designated a
11 party;

12 (6) to waive the issuance and service of a summons, citation, or other
13 process upon the principal, accept service of process, appear for the
14 principal, designate persons upon whom process directed to the principal may
15 be served, execute and file or deliver stipulations on the principal's
16 behalf, verify pleadings, appeal to appellate tribunals, obtain and give
17 surety and indemnity bonds at the times and to the extent the
18 attorney-in-fact deems desirable or necessary, contract and pay for the
19 preparation and printing of records and briefs, receive and execute and file
20 or deliver any consent, waiver, release, confession of judgment, satisfaction
21 of judgment, notice, agreement, or other instrument which the
22 attorney-in-fact deems desirable or necessary in connection with the
23 prosecution, settlement, or defense of any claim by or against the principal
24 or of any litigation to which the principal is or may become or be designated
25 a party;

26 (7) to appear for, represent, and act for the principal with respect to
27 bankruptcy or insolvency proceedings, whether voluntary or involuntary,
28 whether of the principal or of some other person, with respect to any
29 reorganization proceeding, or with respect to any receivership or application
30 for the appointment of a receiver or trustee which, in any way, affects any
31 interest of the principal in any real property, bond, share, commodity
32 interest, tangible personal property, or other thing of value;

33 (8) to hire, discharge, and compensate any attorney, accountant, expert
34 witness or other assistant when the attorney-in-fact deems that action to be

1 desirable for the proper execution of any of the powers described in this
2 subdivision;

3 (9) to pay, from funds in the control of the attorney-in-fact or for the
4 account of the principal, any judgment against the principal or any
5 settlement which may be made in connection with any transaction enumerated in
6 this subdivision, and to receive and conserve any money or other things of
7 value paid in settlement of or as proceeds of one or more of the transactions
8 enumerated in this subdivision, and to receive, endorse, and deposit checks;
9 and

10 (10) in general, and in addition to all the specific acts listed in this
11 subdivision, to do any other acts in connection with any claim by or against
12 the principal or with litigation to which the principal is or may become or
13 be designated a party.

14 All powers described in this subdivision are exercisable equally with
15 respect to any claim or litigation existing at the giving of the power of
16 attorney or arising after that time, and whether arising in the state of
17 California, Nevada, Arizona, Texas or elsewhere.

18 In the short form power of attorney, the language conferring general
19 authority with respect to records, reports, and statements means that the
20 principal authorizes the attorney-in-fact:

21 (1) to keep records of all cash received and disbursed for or on account of
22 the principal, of all credits and debits to the account of the principal, and
23 of all transactions affecting in any way the assets and liabilities of the
24 principal;

25 (2) to prepare, execute, and file all tax and tax information returns, for
all periods, required by the laws of the United States, any state or any
subdivision of a state, or any foreign government, to prepare, execute, and
file all other tax-related documents for all tax periods, including requests
for extension of time, offers, waivers, consents, powers of attorney, closing
agreements, and petitions to any tax court regarding tax matters, and to
prepare, execute, and file all other instruments which the attorney-in-fact
deems desirable or necessary for the safeguarding of the principal against
excessive or illegal taxation or against penalties imposed for claimed

1 violation of any law or other governmental regulation, it being the intent of
2 this provision that it is sufficiently definite to permit the
3 attorney-in-fact to represent the principal respecting all taxes that the
4 principal has paid and all tax returns that the principal has filed, either
5 personally or through an agent, with the Internal Revenue Service or any
6 other agency of the United States government, any state department of
7 revenue, any political subdivision of a state, and any foreign country or
8 political subdivision of a foreign country;

9 (3) to prepare, execute, and file any return, report, declaration, or other
10 document required by the laws of the United States, any state, subdivision of
11 a state, or any foreign government, including, by way of illustration and not
12 as a limitation, any report or declaration required by the Social Security
13 Administration, the commissioner of jobs and training or other, similar,
14 governmental agency, which the attorney-in-fact deems to be desirable or
15 necessary for the safeguarding or maintenance of the principal's interest;

16 (4) to prepare, execute, and file any record, report, or statement which
17 the attorney-in-fact deems desirable or necessary for the safeguarding or
18 maintenance of the principal's interest, with respect to price, rent, wage,
19 or rationing control, or other governmental activity;

20 (5) to hire, discharge, and compensate any attorney, accountant, or other
21 assistant when the attorney-in-fact deems that action to be desirable for the
22 proper execution of any of the powers described in this subdivision; and

23 (6) in general, and in addition to all the specific acts listed in this
24 subdivision, to do any other acts in connection with the preparation,
25 execution, filing, storage, or other use of any records, reports, or
statements of or concerning the principal's affairs.

All powers described in this subdivision are exercisable equally with
respect to any records, reports, or statements of or concerning the affairs
of the principal existing at the giving of the power of attorney or arising
after that time, and whether arising in the state of California or elsewhere.

In the short form power of attorney, the language conferring general
authority with respect to all other matters, means that the principal
authorizes the attorney-in-fact to act as an alter ego of the principal with

1 respect to any and all possible matters and affairs affecting property owned
2 by the principal which are not enumerated in subdivisions 1 to 13, and which
the principal can do through an agent.

3 The grantor signing below acknowledges, stipulates and supports the following quotes.

Schware v. Board of Examiners, 353 U.S. 238, 239. . ."The practice of law (medicine etc.) is not within the States grace to regulate." The practice of law (medicine etc.) is an occupation of common right as per Sims v. Ahrens, 271 S.W. 720 (1925). No State in the Union of the United States of America licenses lawyers, only the State Bar, which issues a private corporation type of "Union Card"/certificate for payment of dues/fees. (See also ExParte v. Garland, 4 Wall 333, 370 (1866), which authorizes only the practice of law in the courts as an officer of the court and a member of the judicial branch of government, to represent wards of the court such as infants and persons of unsound mind and as a public defender in criminal cases.) ...Cannot license an occupation of common right ...Redfield v. Fisher, 292 P. 813, 817-819

Grantor further states, stipulates, acknowledges and supports the fact that attorneys for the State of the forum do not have a "license" to practice but rather a Union Card issued by associations that are ~~international~~ in scope and commonly known as "Bar Associations."
